Dear Members,

The new registration service for the Official Championships, Sportdata, has been introduced in the ITF online system. This will be active from 1st March 2018.

From ITF Online and under Sportdata menu you can make the registration online for the World Cup and the World Championships and to other official Tournaments. Sportdata is directly connected to the ITF database.

Access from <https://www.tkd-itf-online.org/>

National Federations

Each National Federation can log in to ITFONLINE and access Sportdata directly, and connected to the ITF database.

Once inside, you must go to the Sportdata section and click on the event to register online.

In the case of the World Cup, due to the inscriptions is by clubs, each National Federation can create their clubs and their users for these clubs so they can register online. You can click the attach link video for more and help information
